Garden of the Salish Sea Curriculum
Wade King Elementary
Third Grade

NAME:_____

Exploring Shellfish Issues

Explore the Garden of the Salish Sea website: https://gardensalishsea.squarespace.com/. Using **evidence** from an article or video, write a paragraph describing what you think is interesting about shellfish, why they are important to humans, to other animals and environment. What are some threats facing shellfish? Remember to give the source(s) of your **evidence**. Use another piece of paper if you need more space.
